About GIA Partners, LLC:

At GIA Partners, credit is in our DNA. We are bottom-up credit managers who have managed credit portfolios in virtually every part of the world's fixed income markets as well as through some of the most severe credit events in history. Additionally, our investment team has the distinction of being among the first to recognize and actively invest in global high yield and emerging markets debt.

We have a thorough understanding of fixed income investments and their role in a globally diversified portfolio, which has rewarded our clients throughout market cycles.
